NOTICE OF PROPOSED RULEMAKING

Adopted: July 23, 2003

Released: July 25, 2003

Comments Date: September 15, 2003  
Reply comments Date: September 30, 2003

By the Assistant Chief, Audio Division:

- The Audio Division has before it a petition for rule making filed by Charles Crawford (“Crawford”), proposing the allotment of Channel 290C3 at Rising Star, Texas. Crawford stated his intention to file an application for Channel 290C3 at Rising Star.
- We believe the proposal warrants consideration because the proposed allotment could provide a first local FM broadcast service to the community of Rising Star. Crawford states that Rising Star is an incorporated community with a population of 835 people. Rising Star has over 53 businesses to serve its residents, its own local government and community schools. A staff engineering analysis indicates that Channel 290C3 can be allotted to Rising Star consistent with the minimum distance separation requirements of the Commission’s Rules without a site restriction at coordinates 32-05-54 and 98-58-00.
- In view of the fact that the proposed allotment could provide a first local FM broadcast service to Rising Star, Texas, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 290C3 to Rising Star. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission’s Rules, with respect to Rising Star, Texas:

	Channel No.

Rising Star, Texas	-----	290C3

- The Commission’s authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the *Appendix* before a channel will be allotted.
- Interested parties may file comments on or before September 15, 2003, and reply comments on or before September 30, 2003, and are advised to read the *Appendix* for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth

Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on Crawford, as follows:

Charles Crawford  
4553 Bordeaux Avenue

6. Parties are required to file an original and four copies of each filing. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Vistrionix, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, N.E., Suite 110, Washington, D.C. 20002. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. (a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached.
